WHAT STATE has caused more misery than any other? The Jewish State of Israel.

The world has paid a heavy price—including the demise of America's democratic process due to the dictates of the Jewish Lobby—ever since the Jewish State was conceived.

And now more "Jewish State' misery, (hardly moving the consciences of the Lobby's automatons on Capitol Hill), has left in its murderous wake the burned-to-ash body of a Palestinian infant in the occupied West Bank.

The savage act was the work of the Israeli settler-group known as "Price Tag" whose perverse mission is to make all who stand in the way of the Jewish colonization of Palestine "pay a price."

Most Price Tag attacks are carried out by at least 100 followers of American-born Chabad Lubavitch Rabbi Yitzhak Ginsburg.

Ginsburg, a dual citizen of Israel and the US, wrote the racist book *Baruch HaGever* (*Blessed Man*) in praise of mass murderer Baruch Goldstein who slaughtered dozens of Arabs as they prayed in the Ibrahim Mosque in Hebron 20 years ago.

As a disciple of Rabbi Menachem Schneerson, (the false 'messiah'), Ginsburg furthers the teaching that while Jews are the 'chosen people' created in God's image with every cell divine, the Gentiles lacking this status are considered subhuman whose souls are "satanic."

In a call to terror, two 'settler' rabbis associated with Ginsburg coauthored the Israeli book, *The King's Torah*, which claims that the prohibition 'Thou Shalt Not Murder' applies only "to a Jew who kills a fellow Jew."

Non-Jews are "uncompassionate by nature," write the rabbis, and attacks on them "curb their evil inclination," while babies and children of Israel's enemies may be killed since "it is clear they will grow to harm us."

MURDER GETS A FREE PASS

BOTH MOSQUES AND CHURCHES are targeted by Price Tag which recently torched a Greek Orthodox Seminary in Jerusalem and the Church of the Loaves and Fishes in Galilee.

While arrests have occasionally been made in these anti-Arab, anti-Muslim, and anti-Christian hate crimes, no one has ever been convicted by the Israeli government, but rather, covering up for Price-Tag.

After a decade of arson, stabbings, and destruction of property against the Arabs, only when attacks started targeting Israeli Jews did Tel Aviv begin to voice threats of taking action against the militant settlers.

Netanyahu decried the murder of the Palestinian infant as an act that prompted a "fight against terrorism"...and his shills on Capitol Hill are pleased with his sapless disapproval.

One might ask, will Netanyahu's slaves in Congress decry *his* terror in ordering the mass murder of babies and children in Gaza? (Don't hold your breath.)

ESSENTIAL JEWISH STATE

ON RECORD for censuring Price Tag's assaults, Netanyahu has muttered, "It's unsettling. Those responsible contradict our essence and values."

Au contraire. Rather than contradicting Israel's essence and values, the torching of the Palestinian infant by the Jewish occupiers is in total conformity.

For the essence of Israel is 'Jewish,' of which, on the physical side, is *racist*, and on the spiritual side, is *anti-Christ*.

Israel's racism is proved by the fact that the only threat to its existence is democracy.

And Israel's anti-Christ character is proved by its self-definition as a 'Jewish' state. For the denial of Jesus Christ is the *spirit of anti-Christ*.

REGARDING "VALUES" Israel holds, one finds himself unsettled at a discovery.

For if the barbaric murder of the Palestinian child "contradicts" Israel's values, ergo Israel is pure of the blood of innocents, which is certainly *not* the case.

But if Israel has shown itself bereft of noble actions—instead, manifesting a history of murder and theft—then the torching of the child is consonant with Israel's "values."

There's a price tag on wrongdoing. It buys a person (and a people) a seat in hell.

There's also a price tag on complicity with wrongdoing. It buys a hack a seat on Capitol Hill.

Dear Real Jew News Family,

America was WARNED by Secretary of State George Marshall.

He warned that if America supported Israel it would create a horrible monster that would take its toll on US foreign policy and America's standing in the world.

Now we have a real live JEW MONSTER in the wretched state of Israel.

The "end of history" is upon us with the advent of the anti-Christ...who will be a Jew...where we are NOW witnessing support by US politicians for genocide and horrible crimes against humanity.

The "spirit of anti-Christ" is prevalent in US policy due to Jewry's denial of the incarnation. (I John 4:3)

The 'anti-Christ" will "change the times and seasons," predicted the Prophet Daniel.

Our political hacks now call evil "good" and "black" they "whitewash."

The price tag for wrongdoing, as I say at the end of this Article, buys a seat in hell.

The price tag for complicity with wrongdoing, buys a hack a seat on Capitol Hill.

I'm at a CRISIS point in my online ministry.

Hits are SOARING but Donations are DECLINING.

I thought by now I wouldn't have to worry about funding. This is not the case.

What I do online is a TERRIBLE way to make a living. I'm broke, at the edge of going into deep debt again, and deeply discouraged.

I make my living by typing on a computer keyboard.

It's a LOUSY living. It's a LOUSY way to make a living.

Can Someone(s) PLEASE bail me out with a generous contribution(s)?

URGENT APPEAL
———

I need to find a new place to live here in Summit County CO. (It is important that I stay in this area.)

The place I am living in now, (a downstairs apartment), had been sold and the new owner, (who wants to make a greedy buck by renting the apartment on a nightly basis to out-of-town skiers), will not be renewing my lease.

It's impossible to find a place to rent in Summit County come October when skiers and second home owners settle in for the ski season.

I need to find a new place now.

All the places I've looked at that are desirable are priced WAY ABOVE what I can afford.

Please Help If You Can:

Dear +BN,

When I first read about the horrific murder of that poor 18-month-old Palestinian boy in the West Bank close to Nablus the other day, my stomach just about turned.

How could anyone do something that vicious to a totally innocent 18-month-old, to burn him to death in a firebombing? It's bad enough to firebomb an empty house; but to firebomb a house with a family inside is absolute evil.

The Jewish settlers who did this did it for Satan ... and the government of PM Bibi Satanyahu merely uttered empty, meaningless words in its "condemnation" of that atrocity ... and, this is the same government that launched a vicious war of aggression on Gaza last summer, killing over 2100 civilians, including 500+ children.

The Palestinian leadership has every right to haul this Satanic Israeli leadership before the ICC with formal charges of war crimes and crimes against humanity ... ensure that these war criminals are locked behind bars for life w/o parole ... also ensure that most of that time spent will be spent in solitary confinement; then, maybe, they may repent ... but again, they're psychopaths, and psychopaths never repent.

I'm preparing to send another contribution to you, Brother; so, you should be receiving it very soon.

I'm sad to learn that the new owner of the apartment building won't be renewing your lease ... that's very selfish on his/her part, knowing very well that you'll be out on the street homeless.

You've been paying your rent on time every month you've been in your apartment; and, as you said, finding another one will be harder, with the ski season not far off.

I'll keep asking the Lord Jesus to help you find a more amenable place to live, so you can continue with His mission.

Don't give up, Br. Nathanael; keep on praying for that new apartment, as well as financial help from the wealthier readers on your website.

God bless you always,

Eileen

Surely, millions including those from our Western Churches, should read what you have written and view your videos.

Who else but you yourself can describe to us all the thoughts and intents of the Judaistic Jewish heart.

Maybe some would-be donors are having financial troubles and struggles in this present economical situation of some countries.

Such is ourselves and we also are in the situation where the dollar is quite down as against the American.

Nevertheless we will do our small bit.

Very few understand the Jewish problem for the world as you do.

It plainly is to be read or seen on your site.

Please be encouraged to keep going, somehow.

We ourselves know what it is to have insufficient suppport in work we consider necessary for the Lord.

Yours indeed is necessary as it has the capacity for reaching millions.

So sorry to hear about your personal living situation, +BN. My meager check will be in the (virtual) mail soon now.

God help America. Christians in this country have been so monstrously decieved about the Jews and Israel, not just by the Jews themselves but by the thousands of so-called "Christian" pastors who sit silently back, never speaking one word of condemnation for the barbarous acts the Israelis commit against the Palestinian people.

It's enough to make one turn against Christianity itself, if this is all the nominal leaders of the faith can do to combat what is clearly and unalterably evil.

Combat it, they clearly aren't. To paraphrase Sir Edmund Burke, all it takes for evil to triumph if for good men to do nothing about it.

Brother Nathanael

@Luke

You're an idiot, an absolute idiot. You do not know the holy Scriptures but speak out of the imaginations of your zio-christian passion-filled heart.

The purified holy Fathers of the Orthodox Church teach that Romans 11 is not referring to "Israel after the flesh," who are saved, but the "Israel of God," the Church, of which only a "remnant" of Jews who become Christians are members.

As regards Christ asking His Father to "forgive them they know not what they do," the illumined Fathers of the Orthodox Church teach that Christ was referring to those "who parted His garments and passed lots," the Roman soldiers. This is plain from the Gospel narration which you quoted, but twisted in your wretched misinterpretation.

The Jews who crucified Christ most certainly knew what they were doing and so do the wicked Jews of Price Tag.

Please do not pollute this comment section with your Zio-christian Jew-loving dribble.

Brother Nathanael,

I am sending a donation tomorrow.

I just wanted to say that the reason we are in such a mess is because the Jews have control of gold, silver, and fiat all over the world. I think that the reason for all of the problems that the Chinese are having with their stock exchange right now is directly caused by the Jewish big banks such as Goldman Sachs and J P Morgan.

I think that what China has done with some of those disputed islands in the South China Sea is the cause.

There are Jews in every country of this world. I think that they are there to keep control of their money. And make no mistake about it, IT IS THEIRS, and only they know how to control it.

Brother Nathanael
August 2, 2015 @ 8:02 am

Dear All -

One of my moderators deleted Luke's comment while I was writing my refutation.

The essence of his zio-christian dribble is that all Jews will be saved and that Price Tag "knows not what they do" similarly to the Jews who supposedly in Luke's zio-christian misinterpretation, "knew not what they were doing."

They did know, just like Price Tag knows the wickedness they are doing, but in the arrogance of their Jew-polluted souls, do the evil as a means to their Jewish racist ends. +BN

I first thought the money was stolen by Jews. But another thought has entered my mind: China is using the money itself on military spending.

I bet China has a 10000% more weapons and war materials than we realize.

Sadly it will be the goyim nations who are genocided. That's why I find it imperative that China learns the truth about MH17 and MH370 asap.

@George

Contrary to the blasphemous nonsense posted by Veterans Today, the Lord Jesus Christ was NOT a "Palestinian," but "of the seed of David according to the flesh," who was "king of Israel," NOT "king of Palestine."

The identification of the land of Israel as "Palestinia" did not occur until after 135 AD when the Roman government under Emperor Hadrian put down the insurrection led by the false messiah, Bar Kochba.

When describing Who Christ is (in His two natures, divine and human), we must use Scriptural language and constructs, rather than "catch words" with modernistic affects. +BN

In_GOD_We_Trust
August 2, 2015 @ 9:15 am

Jesus was Jewish! Even the Islamic teaching says that.

@bn

The land of Palestina (Falistin) exist before David enter the land of (Falestin) Palestine. The Palestianen at that time were Giants who were pagans and Rebels. That piece of land was NEVER empty...it always had people leaving in it.

Goliath was a Falistinian. This is before Palestianen were Arabized just like Egypte or Iraq or Syria, Jordan etc.

These folks are not the same bloodline of the prophet Ismail.

When Palestinian or the Arab/Islamic world are talking about Palestinians....They never called them Palestianan...they called them Falistinian. The name Palestine was purely created to depreve Falestinian of the there true Homeland/bloodline!

Indeed GOD send the sons of banoe Israel to that land...purely the test banoe Israel... knowing they don't deserve to be there. And that they are and always will rebel against GOD.

Just they way these Jewish/Zionist are NOT the authentic "Semitic."'

They only true Semitic are the ARABS themself!

(Sorry for the bad English. English is not my thing nor my first spoken.)

Brother Nathanael
August 2, 2015 @ 9:35 am

@In_God_We etc

You're quite wrong. The Lord Jesus Christ, in His essential Person, was NOT "Jewish,' but GOD, eternally-begotten timelessly and without passion of the Father.

In Christ's IMPERSONAL humanity, (for at the time of His incarnation through the holy Virgin Mariam, He exists in two natures, divine and human), He, according to the Scriptures, was "made of the seed of David."

As regards your term "falistinians"... you mean "Philistines" from which the word "Palestine" is derived, though not by religious identification, but by an extended geographic identification.

The Philistines of the Old Testament, who lived in the approximate Gaza area of today, were idolaters and enemies of the "Israel of God."

That said, when Hadrian renamed the land "Palestinia," it was only (by God's providential judgement,) to negate any claim of the land by Jewry, which still holds true today.

+Brother Nathanael

PS - Respectfully to you who apparently are of the Islamic faith, please do not argue dogma here on this Comments Section.

Rather, we have a social issue that all of us here, regardless of religious affiliations or views, must contend for.

Dear Brother Nathanael - I'll send what I can tomorrow.

It's not much because I too am broke and trying to survive on a small SS check. I've been down many times before and have had to downsize to survive. I've had to change locations against my will. I've even had to take roommates or share with others.

I've had to take on jobs I didn't like and now that I'm old and feeble it's even harder to find something I'm capable of. I don't have much but I still have a house, at least till I drop dead. If you're willing to move I have an extra room in the garage I could let you use till you get on your feet.

I'll send you a letter where I live. In the meantime, try to go a little softer on the Jews, it will be better on your health for one thing. They're mostly misguided and searching for answers in the wrong places. Kind of like a lot of us at some point in our lives.

God bless. Greg

Brother Nathanael
August 2, 2015 @ 11:15 am

@Greg Smith

Thank you for your support.

You advise me to go "softer on the Jews" because they are "misguided" and "searching for answers" but in the "wrong places."

Why don't the Jews go "softer" on us? They are relentless in their wickedness to kill the Church, Her teachings, and Her morality.

They are relentless in their wickedness to destroy freedom of speech and the democratic process.

No, I will NOT go "softer" but HARDER then ever on Jews in their wickedness, murders, and racist supremacist goals.

As regards Jews being "misguided," you've got to be either kidding or totally unaware of what Jews are all about.

Jews are GUIDED by one goal: To DESTROY all the goodness, morality, and worldview that historic Christianity (not innovative Protestant evangelicslism) has bequeathed to the world.

And as for Jews "seeking answers," surely you are naive.

Jews arrogate to themselves a monopoly on "answers" and will not rest in their devilish restlessness until every single Goy who poses a potential threat submits to Jewry's "answers."

I grew up as a Jew of two Jewish parents, steeped in Judaism, raised in the Synagogue, and no one knows Jews better than I, now illumined via Orthodox Christian baptism.

If I go "softer on Jews," who then will fill in the gap? Steven Lendman? Gerry Celente? Paul Craig Roberts?....all of whom don't dare to even use the word 'jew' in their Internet postings. +BN

Friend, to put it succinctly cause there's no other way around it ... it's too far a compromise. You got to say No to those who are set to misguide YOU, they aren't "poor misguided souls," YOU ARE.

For Jews, the quasi-totality of them, someone must lose so they win something. A Raptor does exactly so. Example, let's say for land, Palestinians must die and their children as well for a settler to get a free home ... acquired by terror, sabotage or murder.

Is a child destroyer misguided? Or his supporters overseas are they misguided? No, they all act with definite purpose.

Look, to be an (Orthodox) Christian doesn't mean to be a complete idiot who nods to political correctness and bows to euphemistic formulas.

The Jews don't need do that anyway, they have a rabbi who tells them what to think and what to do instead and tells them a prey is YOU.

Guidance they have, of the Talmud.

"Our" churches, I'm quite afraid, know all about this stuff but they're so inextricably brainwashed by either stupidity or more likely the "holocaust guilt consciousness" that Jews have placed on them, that theyre nothing more than hand puppets of Israel.

I called up the president's (or whatever title they hold) office in Tennessee of the United Methodist Church last summer soon after they voted to divest but was extremely angered that it was so close, I think it was 312-301, disgusting.

I watched the live feed, and right before the vote two psychotic, fake Christian Zionists talked at the podium strongly urging to support Israel. I called hoping to find the names of these anti-Christian Israel-loving psychos who voted to support Israel.

When I called, I talked with Gradye Parsons secretary.

Something has been really eating at me lately how people can believe in evolution no matter how ludicrous and stupid and how massively unsupported the claims they make are and the fact that they use hoaxes like the Piltdown Man and Lucy as examples of evolutionary fossils.

The biggest whopper I've ever heard is that the human fetus goes through several stages of evolution before becoming human.

People will believe anything that comes from a white lab coat, I swear, no matter how preposterous and absurd the claim being made is.

For once I'd like to see that entire part of science enter the trash bin of history where it belongs. There's no mistaking that there's massive Jewish influence when it comes to Evolution.

"White Europeans are too easy going and open minded for their own good."

Indeed ...

Thanks +BN for speaking. Your statements are typically impeccably researched.

Assuming God as we imagine and has been described in the OT and NT, it truly boggles the mind how so much evil can flow out of something He created.

And it is pretty ironic that people who advertise themselves as 'the' people of God, walking about with such a grossly inflated view of themselves, are — at least the scum at the top of their racist pyramid — so utterly and completely evil.

Notes on Jewish power: A election has just been announced in Canada. The NDP, really the teacher's union, used to oppose the Israeli treament of Palestine but no longer.

Their new leader Thomas Mulcair wants the Jewish money and now fights for Israel's right to "self defence."

The NDP just did a funny attack video on Harper featuring a bunch of Harper crooks many of whom are Jewish. The one person involved in Harper scandals that the attack ad did not touch or even mention is Nigel Wright. Nigel is the executive assistant for Gerry Schwartz, the Rothschild's connection in Canada.

Schwartz was the right hand man, the bag man, for Liberal PM Paul Martin and was also Conservative Steven Harper's executive assistant. So no matter who you voted for you ended up with Gerry Schwartz.

Schwartz got his business (if you can call it that?) training wings working for America gangster Bernie Cornfield at a failed company called Investors Overseas. But Cornfield is better knowns as the pimp for Heidi Fleiss the Hollywood Hooker to the Stars.

At any rate the NDP attack ads failed to mention Gerry Schwartz's right hand man, Nigel Wright, who was also caught up in Harper scandals, so I guess that means they are hoping Gerry Schwartz's Jewish money will come their way if it begins to look like they might win.

All three Canadian political parties–Liberal, Conservative and NDP–now in the coiture bag. No election at all. Just Jewish window dressing.

Its difficult to believe Harper could lose because all English-speaking newspapers in Canada except 4 are now controlled by Paul Godfrey, who is publisher of the National(Mossad) Post, head of the Ontario gaming commission, and who is Sheldon Adelson's lobbyist in Canada.

In some cases Godfrey controls all two and even three newspapers in multi newspaper towns.

You either get Jewish propaganda or you get Jewish propaganda. Mainstream media in Canada is about as sick as it gets.

Hugo

Your cartoon depicting bribes being the real reason for the sycophantic display of Congressmen towards all things Jewish says it all.

No wonder America has become such a source of evil around the world–just look at who controls the government!

Its equally obvious they could not achieve this without the scam called "democracy" –a form of government that has nothing to do with protecting the interests of the people and everything to do with protecting the interests of the 1%

I think the Germans had all this sussed out in the 1920s. Just look at this 6 minute video. Its for our time.

WW2 + gas chambers hoax = Little people who get big ideas need to be put in their place.

Fast forward 70 years and almost nothing has changed–same lies, same agendas, same hypocritical talk about democracy, same criminals running our nations–only one thing is different—the victim–in 1945 it was Germany in 2015 is Syria, Libya, Iraq, Iran & Russia.

Addenda, Gerry Schwartz is probably the Rothschild's main connection in Canada or maybe it is Peter Monk. They both have huge influence.

Schwartz's wife Heather Reisman, who owns Chapters books and a few other publishing related businesses, is ALWAYS at the Bilderberger conferences as a Canadian (or Israeli?) representative.

Steven Harper allows Gerry Schwartz and Heather Reisman to supply the IDF (the Infanticide Defence Force) with medical supplies even though doing so frees up the Israelis to buy more white phosphorus and hell fire missles and more bullets to snipe children off roof tops.

And Canada's curent prime minister, Steven Harper, allows this even though its illegal under Canadian law to finance a foreign military. It is essentially treason.

Just look up the list of Bilderberger attendees. Heather Reisman is always there. Schwartz's main employees are the sons of Peter Monk. Monk owns Kahama Mines in Tanzania with Nate Rotschild. Jews of a feather stick together.

The following information may be dated but as far as I know the British Rothchilds are by far the largest land owners in Canada.

Allegedly they own 5,000 square miles (not acres or hectares) surrounding the Churchill Falls Power dam in Labrador, and allegedly they also own the dam which provides power to New York City and a huge and very steady cash flow to them.

So while it may seem you vote only for Gerry Schwartz in Canada in fact it appears that your choice is to vote for the British Rothschilds or to vote for the British Rothschilds.

Dear Brother Nathanael,

I saw this being talked about on some message boards, what significance if any does this have?

Can you please explain if this is baloney? The Shemitah, I want to hear the truth. You are the bringer of truth.

@Irene Bonney Faulkes, Steven, and J. Morgan

It's good to little by little get to know more and solidify our Faith. There is a East and West in Eurasia and the Northern Hemisphere, but not a Eastern and Western Church in Christianity.

There is no "Western Church" at all as an entity. On the one hand the direct descendant of the Apostolic Age, that's Orthodoxy. Now Catholicism and Orthodoxy were one and the same until the 11th Century AD when Rome decided to draft a new religion, one that served her regional interests rather than the Lord.

Thus the Catholics broke off by adding new incompatible stuff like how the Pope is now Vicarius Christi, or "God's lieutenant on Earth" (and much much more but etc.) this is called the Schism.

Then in the 16th century and from then on, a new schism takes place in Catholicism, a counter-rebellion in the Palatine lands of Germany to the Roman mutations, known as the Reformation.

Now for clarity's sake there's another branch in Africa, again misnamed arbitrarily as the Oriental Church, that broke off of Christendom over academic dogma in the 6th century AD but is otherwise not considered alien or even a significant split.

Sounds like you would believe that Orthodox Christians are someone else and you're tied to a Protestant stone with "that bad" Judaizer and somewhat discoverist Church (more like a 35.000+ members collegiate institution) .

But you aren't tethered to it, the next Orthodox parish would be your parish if the American Orthodox Church had its lift-off but it has smaller chance to do that in the land of Jews.

This will probably start a wildfire [yet Yeshua Himself said He came with a sword and not to bring peace]

Who is Israel?

Anyone accepting Yeshua as their LORD and Saviour.

What does Yeshua say to John?

"I know of them who say they are Jews, but are NOT Jews, but are of the SYNAGOGUE OF SATAN."

Accept His words as there is no other authority.

Shalom Bro Nate.

May Yeshua continue to use you mightily for HIS glory.

May He cause His face to shine upon you and to bless you abundantly and prosper you according to His good pleasure.

Amen

P.S. YESHUA said " You shall know them by their fruits "

Jesus is of the tribe of Judah according to his human nature as "salvation is of the Jews" (Jn 4:22), because the Messiah came from the tribe of Judah, clan of David: "of whom as concerning the flesh Christ came, who is over all, God blessed for ever. Amen" (Rom 9:5).

However, Jesus is nothing less than the Lord Jehovah Almighty according to His divine nature.

The blind, inveterately rebellious, unholy, stiffnecked, prophet-murdering Jews rejected the clear and unambiguous manifestation of the promised Messiah in Jesus Christ, murdering him instead of embracing him, and thus God rejected them forever from being his covenant chosen people, symbolized by Jesus cursing the fig tree which represented the nation of Israel and the Jewish people.

God also sent the armies of the Roman generals Vespasian and Titus to destroy the temple and expel the Jews from the holy land for two thousand years in 70 AD as divine punishment for murdering his only begotten Son. (Recently they have returned to set up their Antichrist state.)

The Christian people replaced the prophet-murdering Jews as Jehovah's elect people. Jews are rather the Synagogue of Satan, as says Jesus Christ (Rev 2:9, 3:9). We can pray for them, but they will never again be God's people until they repent and become Christians.

The Khazar theory is completely ridiculous and betrays scriptural ignorance.

The New Testament refers to unbelieving Jews as "Jews" but makes a distinction when speaking spiritually between "true Jews" who are circumcised in the heart by the Holy Spirit and false Jews who are merely circumcised in the flesh but who's hearts are uncircumcised (Rom 2:28, 29).

They are actually liars and not true Jews when they claim the title Jew (which means "praise" in Hebrew) for themselves because God does not praise them, rather He abhors them.

Nowhere in the Holy Scripture, and The Holy Tradition of the Orthodox Church there is the term "Jews."

The real term as Jesus Christ mentioned in Revelation is: Ioudaioi (Judaeans).

For all the misery Jewry has wrought upon the world, it is they who will be the big losers in the end.

While the rest of humanity is progressing right along the path of moral and spiritual evolution that the Christ helped set forth, the Jews continue on with their horrific ways. It is all fun and games for the Jews but it will all end badly for them.

God is not mocked, and he will met out to the Jews what they have sown. In the words of Longfellow, "Though the mills of God grind slowly; Yet they grind exceeding small; Though with patience He stands waiting, With exactness grinds He all."

Jesus Christ came to cleanse the sins of the world and give it a fresh start. It was His mission to emancipate humanity from Law and lead it to LOVE, to destroy "the kingdoms of men" with all their antagonism to one another, and to build upon their ruins "the kingdom of God."

Among all of the races of the Earth, none were so "lost" in the same sense as the Jews.

Jesus born among them in the hope that these people would accept Him and His teachings and thus allow them to progress with the rest of humanity. But alas "He came unto His own" and they chose the Zealot bandit Barabbas.

The only solution for the Jews is assimilation and acceptance of Jesus Christ.

@Sofos

Allow me to correct you. The word "JEW" appears in the book of Chronicles of the Kings in the Old Testament and in other places as well, and in many cases, does not refer to the 'tribe of Judah.'

The word "JEW" and NOT "Judean" is used by St Paul when he writes, "He is not a "JEW" who is one outwardly etc" in the book of Romans.

The word "JEW" and NOT "Judean" appears in MANY places throughout the New Testament.

Examine the CONTEXT in which it is used and in most cases it is not meant by the authors to signify the "tribe of Judah" but "JEWS" as a general sweeping appellation to signify the whole polity in Israel.

As regards your statement regarding the Lord Jesus Christ's use of the word, He did NOT use the word 'Judean' but "JEWS" when identifying them with the Synagogue of Satan.

The Hebrew word "Yehuda" which means "praiser of God" was not meant by St Paul (when he translated it into Greek) and the Lord Jesus Christ (when St John of the Apocalypse translated it into Greek) to signify the "tribe of Judah" but "JEWS."

Dear All -

I'm at a CRISIS point in my online ministry.

Hits are SOARING but Donations are DECLINING.

I thought by now I wouldn't have to worry about funding. This is not the case.

What I do online is a TERRIBLE way to make a living. I'm broke, at the edge of going into deep debt again, and deeply discouraged.

I make my living by typing on a computer keyboard.

It's a LOUSY living. It's a LOUSY way to make a living.

Can Someone(s) PLEASE bail me out with a generous contribution(s)?

URGENT APPEAL
————

I need to find a new place to live here in Summit County CO.

(It is important that I stay in this area.)

The place I'm living in now, (a downstairs apartment), was sold and the new owner, (who wants to make a greedy buck by renting the apartment on a nightly basis to out-of-town skiers), will not be renewing my lease.

It's impossible to find a place to rent in Summit County come October when skiers and second home owners settle in for the ski season.

I need to find a new place before October. Crunch time has come.

All the places I've looked at that are desirable are priced WAY ABOVE what I can afford.

Please Help If You Can:

Brother Nathanael Kapner; PO Box 1242; Frisco CO 80443.

PS - ALL cash donations by mail come in safely. Many thanks to those who send cash.

"10,000 Jews per day were being gassed and cremated at Auschwitz...." writes "historian" Really Victor Davis Hanson.

Do people like VDH really write this stuff themselves or do Jewish editors force-feed them this stuff?

Jew are building the hole for this world and next in hell.

Paving the road in hell while lying to themselves that they will be exempt.

They are killing innocent Palestinians while creating an empty aggressive, lying world where low self esteem people are gay.

Blacks can lie to themselves to feel good marrying other races and justify their empty, phony positions and existence while directly denying their own race and feeling ashamed in the Western world and lying to gullible idiots.

Modern slaves, modern idiots in hell, also they are paving their empty existence. China and Putin can see their lies, and soon the world will clash.
